Marie Kash Weltzheimer, Professional artist will demo a charcoal portrait at the **Reian Williams Fine Art Studio - 316 W. 33rd Street** in Edmond at 7:00pm.

Ms Weltzheimer was born in Akron, Ohio and moved to Ardmore, OK as a small child. Her mother, noticing Marie's love for drawing, encouraged her and Marie started winning awards for her art beginning in elementary school. She earned her degree in commercial art in 1982 from UCO and after working several years as a graphic artist, she gradually found her way to a career of full-time painting and drawing.

Working in oil, pastels or drawing mediums, Marie's work has been published in many publications and featured on two CD covers by Edgar Cruz as well.

She enjoys teaching as an adjunct professor, at Southern Nazarene University and continues to win awards for her work. For more information on Marie's work, check out her website at: www.MarieKash.com
